Warren Commission--Re-evaluation of Evidence

We should carefully examine all the criticisms, hypotheses and suggestions contained in the existing body of literature concerning the President's assassination and the work of the Warren Commission. The purpose is to inventory the contentions so we can evaluate their dimensions and validity.

I would like the task described above to be undertaken by a small group of lawyers within the Department on an unpublicized basis and suggest that the group be headed, if he is available, by Mr. Harland F. Leathers, Chief of the General Litigation Section of the Civil Division. In addition, I should like Mr. Rogovin and Mr. Vinson to designate a member of his staff, preferably in the Appellate Section, to work with Mr. Leathers. I would appreciate meeting with you and your designees on Monday, November 28, at 5:00 P.M. to discuss this matter further.
